COURSE CONTENT

- Biomedical Signal Processing.
 - Medical Image Processing.
 - Computational Modeling.
 - Biomedical Instrumentation.
 - Biosensors.
-

TARGETED AUDIENCE

Course Content is interdisciplinary, so faculty members from AICTE approved Engineering Colleges, from any department are eligible to attend this program.

FACULTY DEVELOPMENT PROGRAMME

on

RESEARCH AREAS IN BIOMEDICAL ENGINEERING

ORGANISED BY:

IHRD

Institute of Human Resource
Development, Trivandrum
Established by Govt. of Kerala

26TH TO 30TH SEPTEMBER 2016

COURSE OBJECTIVE

By nature, Biomedical Engineering is an interdisciplinary endeavor. The fundamental knowledge in various fields of engineering and science are applied to find solutions to various problems in healthcare and medicine. It is not surprising, therefore, that faculty from Electronics Engineering, Electrical Engineering, Computer Science, Mechanical Engineering, Instrumentation Engineering, Mathematics, Physics, and Chemistry are involved in diverse range of research problems in the field that transcends department boundaries. A faculty development program on **Research areas in Biomedical Engineering** is aimed at introducing the possible research avenues in the field of Biomedical Engineering and will be an opportunity for the faculty who are interested in interdisciplinary areas where they can apply their expertise to solve problems in medicine and health care. The programme will surely help prospective research scholars to take up a topic for their research as well as introducing new directions for those who are involved in research.

Resource Persons:

Eminent academicians from IITM/CMC/IISc/SCTIMST and experts from industry will be handling the sessions.

Course Fee

The course fee is Rs.35,000/- per participant.

How to Apply

Registration form in the prescribed format duly filled in along with non-refundable DD drawn in favor of The Academic Coordinator, A/c No. 67359043802, IHRD FDP, payable at SBT Kalloppara (IFSC code SBT0000464), is to be sent to the following address:

**The Academic Coordinator,
FDP on, Research Areas in Biomedical Engineering
Institute Of Human Resource Development,
Vazhuthacud, Thiruvananthapuram
Pin:695014**

Course Fee can also be transferred online to the above account.

A sponsorship certificate from the institution is mandatory.

The last date of receipt of application along with the required fee is 22-09-2016

It is also mandatory to send a scanned copy of the application and demand draft through e-mail to sincy@mec.ac.in

Accommodation

IHRD will arrange food and accommodation for the participants, based on prior request. No TA /DA will be paid for the participants.
