3. INTAKE

Number of seats available in each Technical Higher Secondary School is shown in Para 1.1. The details of local reservation is furnished in page No.6. , Para 12

If the number of seats are increased during the year 2011-2012 after the publication of this prospectus, selection for admission will be made from the existing selection list after obtaining option from the students already admitted/applied.

4. All candidates passing out from Std. X of THSS under IHRD will be admitted to Std. XI of the same schools as per their choice of group against the available seats as indicated in this prospectus. For this, they should apply to the Principal of the respective school in the common application form prescribed for admission to Std.XI of Technical Higher Secondary Schools. In their case, the mode of selection as under Para 6 below will not be applicable. If any of the above category of candidates want admission to Std.XI in any remaining Technical Higher Secondary School under IHRD other than the school where they have last studied, selection for admission will be as per the mode of selection under Para 6 below. The remaining seats available in the respective THSS are available for open selection of candidates.
5. Each Technical Higher Secondary School and each group will be treated as separate units for the purpose of selection. Candidates will not be given transfer from one group to other or one institution to another under any circumstances. Hence, group and school to which admission is sought should be selected carefully and noted legibly in the application form.

No separate application need to be submitted for admission to different groups in the same institution. The candidates should mention their order of preference according to their eligibility in column 2 of the application form.

6. MODE OF SELECTION FOR OPEN MERIT CANDIDATES

- 6.1 Selection for admission to each of the group in the Technical Higher Secondary School will be made from separate rank lists prepared for each group in each of the school on the basis of the weightage grade point average (WGPA) arrived at by adding the grade points secured by the candidate for Physics, Chemistry and Mathematics (For Physical Science Group) and Physics, Chemistry and Biology (For Integrated Science Group) with the total grade point for the qualifying examination. While calculating WGPA proper weightage will be given to proficiency in NCC/Scout and ward of defence personal/Ex-serviceman as per Government norms.
- 6.2 In the case of tie in the ranking , for physical science group GPA of physics, chemistry and mathematics will be taken into account and in case there is still a tie, the grade points in the order mathematics, Physics and Chemistry will be taken separately. For integrated science group GPA of Physics, Chemistry and Biology will be taken in to account. If the tie still remains grade points in the order of Biology, Physics and Chemistry will be separately taken into account.
- If the tie still remains the grade point of English and proximity of the school where the candidate had studied for qualifying examination will be considered in sequence for both the groups.
- 6.3 A candidate to whom his/her first choice of preference has been allotted in surelist will not have any claim to be considered for his/her second choice.
